Support Your Local Candidate

Hi I'm Dai Le,

I'm the current Deputy Mayor who has been working over the past decade on Fairfield City Council with Mayor Frank Carbone to improve and drive change in our community. Many locals, including workers, small business and young people have asked me to stand for this election.

At this Federal Election we need to send a message to Canberra and the major parties that our local families needs a representative who knows what it's like growing up and coming from Fowler.

We need real actions and results from a candidate who have actual local experience to fight for our needs in Canberra, to make our community even better and stronger.

BEING A LOCAL ✓
As a local I am connected to our community and the challenges we face. With that understanding I will be your voice to help fight for the resources our community deserves.

COST OF LIVING ✓
I understand the struggles our local families are going through - electricity, health, housing and daily living cost are impacting our quality of life and our future. I will fight in Canberra to help reduce the burden on our families.

WORK FOR THE COMMUNITY ✓
As Councillor for the past 10 years and Deputy Mayor, I understand we need more Federal resources to improve health, transport and community services.

IMPROVE LOCAL FACILITIES ✓
Worked with Mayor Frank Carbone to improve local facilities: Fairfield Show Ground | Aquatopia | New Libraries | More Carparks | New Business Hub | Smithfield Roads upgrade | New Senior and Multicultural Hub, A Better local hospital campaign.

SUPPORT LOCAL BUSINESS ✓
I've been a strong advocate for small businesses and youth employment in our city. It is the backbone of our economy and more needs to be done to create more job opportunities.
