

The Fowler Champion

Opening of Avenel Park

A Message from Dai Le

Welcome to our First Edition for 2025!

Happy New Year!

As we welcome 2025, I want to wish you and your loved ones a year filled with good health, joy, and success.

Looking back, I feel so proud to represent such a strong and caring community. Together, we have faced challenges, celebrated wins, and supported one another. Fairfield and Liverpool are truly special places because of the wonderful people who have made these great cities their home.

Here for You

This year, I am committed to continuing to stand up for our community with authenticity, courage, and determination. Over the past three years, I have worked tirelessly to address the issues that matter most to you and to hold the Albanese Labor Government accountable for rising costs of living—like energy, fuel, insurance, rent, and grocery prices—ensuring Fowler’s voice is heard loud and clear in Canberra.

I have successfully pushed for practical solutions like the \$300 energy rebate for families, \$325 for small businesses, and the introduction of the Groceries Code of Conduct to prevent supermarket price gouging. I have also forced the Government to reduce HECS indexation, revise the Stage 3 tax cuts, and reinstate the Stronger Communities Grants to support local organisations. But I know that more needs to be done.

Looking Ahead Together

As you might have heard, the **Federal election is on** and I’m excited to share that **I will be standing for re-election. I will continue to stand up for our freedom, rights and to speak on issues that matter to you. Together, we’ve shown that we can create real change – without relying on major party politics. Let’s keep building on that progress.**

As we step into this new year, I feel hopeful about what we can achieve together. My promise to you remains simple: I will listen to you, work hard for you, and continue to stand up for what matters to our community. I look forward to continuing our journey toward a stronger, fairer, and connected community.

Please remember, my office is always here for you. Whether you have concerns, ideas, or need support, I am just a call away.

Wishing you and your family a safe, happy, and wonderful 2025.

Warm regards,

Dai Le
Federal Member for Fowler

A Historic Visit to Our Schools

Inspiring the Next Generation

For the first time, Fowler welcomed Speaker of the House, the Honourable Milton Dick MP, on a special visit to our community. He spent time with students at Governor Philip King, Mount Pritchard, and Lansvale Public Schools, engaging with them in a way never seen before.

Together, we spoke about Australia’s Federation, democracy, and how Parliament works, giving students a rare and exciting opportunity to see democracy in action. Their curiosity and enthusiasm were truly inspiring, showing that the future of Fowler is bright. This historic visit highlights the importance of ensuring our community is heard and valued, attracting the recognition it deserves.

This historic visit is proof that when our community is heard and valued, we attract the attention and recognition we deserve—something that hasn’t always been the case in the past.

COST-OF-LIVING

What I will be fighting for:

Lower Energy Cost

Pushing for reform of the electricity generation system to lower power bills

Reducing wait times and easing hospital pressure

Higher Tax-Free Threshold

Relieving cost pressures on low-income households

School Hall Upgrades

Better tech & air-conditioning for improved learning

Instant Asset Write-off

Increase to \$50K, made permanent for small businesses

West Metro Expansion

Connecting Fowler to Western Sydney Airport

Cutting Red Tape

Assisting businesses to grow

Better Health Care

Access to affordable healthcare services and multicultural health centre

Standing up for Fowler

THERE'S MORE TO DO - AND I WON'T STOP FIGHTING FOR YOU!

I will keep fighting for lower fuel prices, affordable housing, and real action on insurance costs—not just short-term band-aid solutions.

With your support, I will continue to push for lower costs, better services, and real action for our community.

At the next election, with your support I will continue to be your independent voice fighting for families and workers. Unlike the major parties, I am not controlled by party politics—I fight for you and only you.

Let's make sure Fowler is not forgotten.

Assyrian Business Awards

It is a privilege to represent an electorate where the Assyrian-Australian community has made an exceptional contribution to our local economy. Assyrian-Australian businesses and entrepreneurs, alongside the guidance of local Assyrian churches, bishops, and priests, have helped build a community that is both resilient and vibrant. It was an honour to be part of the inaugural Assyrian Business Awards.

To all the nominees and award winners, congratulations on your hard-earned success. Your contributions are a source of pride and inspiration for us all. A special thank you to Assyrian National Council Australia President Hermiz Shahan and the Board of Directors, and everyone involved in making this event possible and for including me on this special occasion.

We welcomed the New Year with Fairfield City Council's fantastic Illuminate Festival, where more than 10,000 locals gathered at the Fairfield Showground with their families and loved ones.

The event was a spectacular evening filled with fun, entertainment, and fireworks, closing out 2024 on a high note.

Lunar New Year

This year, we welcomed the Year of the Wood Snake, a symbol of wisdom, intelligence, and good fortune.

Our vibrant cultural traditions shone brightly across Fowler, with celebrations such as the Vietnamese Community in Australia -NSW Chapter's Tet Festival at Fairfield Showground, the amazing colours of Liverpool City Council's Lantern and Lights festival, and the stunning fireworks display at the Phuoc Hue Buddhist Temple in Wetherill Park.

These events reflect the rich cultural diversity and spirit of fun that defines our community.

Australia Day

Now, more than ever, we celebrate our unique Australian identity—one that embraces a multicultural Australia under a single unifying symbol, our national flag.

The 2025 Australia Day celebrations in Fairfield and Liverpool were a true reflection of this spirit, with Australian flags proudly flown like never before. It was also a day to recognise and honour the remarkable individuals who make Fowler such a vibrant and thriving community.

At both Fairfield and Liverpool City Councils, we celebrated the achievements of our local heroes, including the Citizen of the Year, Young Citizen of the Year, Volunteer of the Year, and Sportsperson of the Year. Together, under one flag, we also paid tribute to the Traditional Custodians of the land, acknowledging their invaluable contributions to our shared history and future.

It was heartwarming to see so many families come together at Adams Park in Canley Vale, enjoying a wonderful evening of picnics and fireworks.

Congratulations to our local winners of the Australia Day Awards!
